

Our Newly Redesigned...  
**CANTILEVER  
UMBRELLA**

**STANDARD FEATURES:**

- Single, easy crank - similar to awning mechanisms
- Closes & folds simultaneously while clearing a standard dining table
- Extremely stable due to its commercial grade hinge & positive driving mechanism

**STANDARD FEATURES (cont'd):**

- Stainless steel & aluminum parts free from corrosion
- Frame made of 6061 grade aluminum
- Commercial grade ribs to support the fabric
- 83" head clearance (open position)
- LED lighting system available at an up-charge

**BASE OPTIONS:**

- Permanent, In-Ground Stainless Steel Stanchion
- Aluminum base that accommodates standard patio pavers (can be powder coated to match frame)
