

# DON'T MISS OUT ON THIS HOT SUMMER SPECIAL!!!

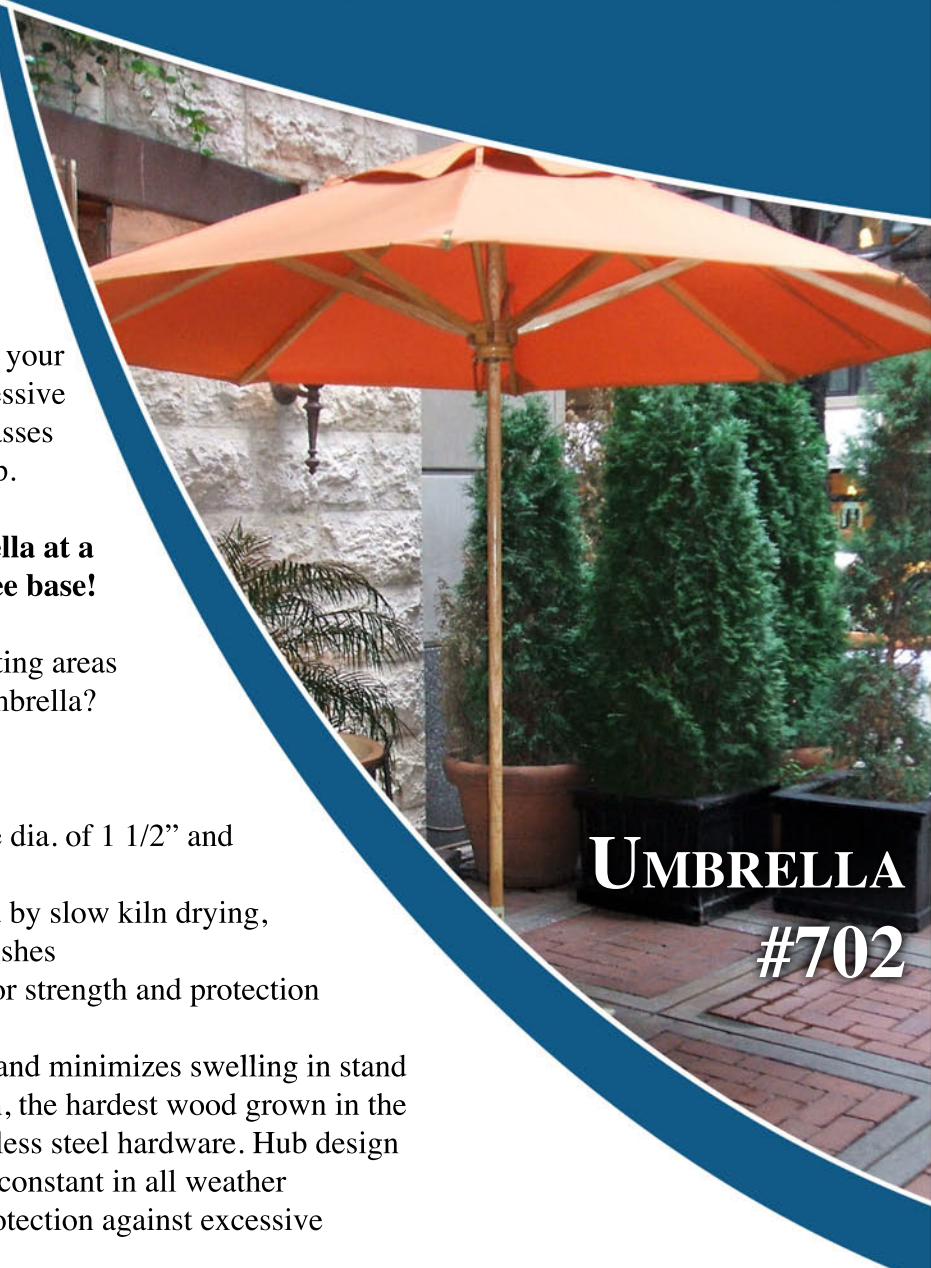

It's time to refresh those outdoor venues on your property. Are you ready to shine with impressive furnishings and umbrellas that make the masses happy? If not, American Holtzkraft can help.

**We are offering our popular #702 Umbrella at a special rate. AND... we're including a free base!**

Are you ready to enhance your outdoor seating areas with America's finest, best-built outdoor umbrella?

## Umbrella Features

- Octagon market umbrella with 8 ribs, pole dia. of 1 1/2" and a 8' canopy
- Distinctive hardwood grains are preserved by slow kiln drying, sealing and a slow drying of multiple finishes
- A full-length solid ash pole is laminated for strength and protection against warping
- Aluminum flush pole guard protects pole and minimizes swelling in stand
- Hub is multi-laminated with Northern Ash, the hardest wood grown in the U.S., and reinforced internally with stainless steel hardware. Hub design accents strength, keeping the wood girth constant in all weather
- Multi-laminated finial provides further protection against excessive exposure to weather
- Flexible, durable, high-gloss finish for outdoor use
- Solid brass fabric-connecting brackets are sealed with clear lacquer. Solid brass grommets and screws attach the fabric. All screws are flush to protect the fabric when umbrella is closed
- Heavy, solid brass eye-screw and chain connect the positioning pin
